

The Christian Motorcyclists Association

CMA (UK) is a home based missionary organisation which aims to be involved in every aspect of the biking world, and so we welcome people from all walks of life.

The CMA is not a substitute for the Church, we are an extension of it reaching out into the world of motorcyclists, whether they are on the fringe of society, the touring motorcyclist, the youngster on a 50cc or 100cc bike, vintage, classic, off road, or the racing motorcyclist.

*Everyone who calls on the name of the Lord will be saved.
Romans ch10 v13*

Our objective is to see them all come to know Christ and then go on to have an active life within CMA and a local church.

Though we share Jesus in many ways, the most effective way is in building deep friendships. We are constantly breaking down the barriers people have put up against Christianity and the biker community, we share the Word of God without compromise, speaking the Truth in Love.

CMA members are involved in various kinds of ministries, taking the Gospel to many different people; examples include prison visits and youth work, but our main aim is to reach motorcyclists for Christ.

Mike Fittow - CMA (UK) President

As CMA members we are passionate about motorcycles, but even more passionate about sharing the Lord Jesus Christ with the motorcycling community of this nation, to be effective we need your prayerful and practical help. Would you consider becoming a member of CMA (whether you ride a bike or not!) and use your gifts to extend this vital ministry, join us as a prayer partner, or give financially on a monthly basis to enable us to communicate the CMA vision effectively.

I lovingly make no apology for asking you to help, because I believe I am opening a door for you to engage in God's work.

Thank you, so much for taking the time to read this.

Every blessing, Mike and Sandy<>>
